Call for Articles - Infinity Insights Magazine

Dear Students and Faculty Members,

We are pleased to announce an exciting opportunity to contribute to our upcoming 5th edition of **Infinity Insights**. This edition will be dedicated to celebrating excellence in mathematics and science. We invite faculty to submit articles related to mathematical and scientific concepts.

We encourage students who are studying mathematics as part of their curriculum (including those in BBA and BCA programs) to submit their articles. Share your research, insights, or innovative applications of mathematics and science.

Awards for Excellence:

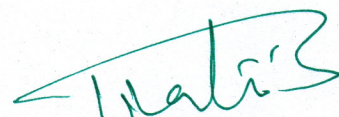

- **"The Science Wizard of the Semester"**: This award will be given to the student with the most outstanding article.
- **"The Science Saviour"**: This award will be presented to the faculty member with the most impactful article.

Submission Guidelines:

- **Deadline**: Articles must be submitted by 15th October.
- **Format**: Please submit articles in word format.
- **Submission**: Send your contributions to bmuduli@rec.ac.in.
- **Word Limit**: Articles should not exceed 250 words.

We look forward to your insightful and engaging contributions, which will be featured in **Infinity Insights**. This is a great opportunity to highlight your work and be recognized for your academic excellence.

For any questions or further details, please contact
